Join us in **JOHANNESBURG**

After a highly successful inaugural event in 2024, Project Blue is returning to Johannesburg in 2025 to host the Ferroalloys 2025 conference.

The event will bring together key players in government, industry and finance to connect and do business in South Africa's mining heartland.

Join us in Johannesburg for an exciting programme and get the latest market intelligence on supply, demand, and prices in the ferroalloys space.

Connect with industry peers across the supply chain, reconnect with existing contacts, and do business on the sidelines of the event.

Interested in sharing your insights or showcasing your brand?

Speaking and sponsorship opportunities are now available.
