

PROJECT BLUE

**CRITICAL
MATERIALS
FORUM**

Hilton, PERTH
13th August 2024

JOIN US IN PERTH

Project Blue is delighted to announce that our team is returning to Perth for its next Critical Materials Forum.

Join us for a free networking event to hear from Project Blue's senior leadership and invited keynote speakers on:

- Regional diversification in battery composition.
- Financing critical material supply chains.
- Semiconductors and the EV supply chain.
- Outlook for lithium, cobalt, nickel and manganese.
- Outlook for graphite and rare earths.

Don't miss out on the opportunity to interact with leading companies engaged in the mining sector in the region! Connect with industry peers across the supply chain, reconnect with existing contacts, and do business on the sidelines of the event.

AGENDA

Tuesday, 13 August
